Extreme Reading

We hope to start using our library to lend books to children, starting on World book day. To help brighten up some of the wall space, we are going to run our extreme reading competition again. The pictures can

be examples of people reading in extreme or unusual places. The children can be in the pictures with their books, like the example below!

We have trained some Year 5 pupils to operate the 'Junior Librarian' computer system and would like to give all classes the chance to browse and change their books every week or fortnight. To help the children with this, we would love some parents or grandparents to volunteer to help us out and help the children, particularly the younger children choose their books. If you are available to help, please can you let us know in the office.

Welsh Phrase of the Week

Our Crew Cymraeg have been working on this phrase this week; '**Dw i wedi gorffen**', which translates as 'I have finished'. Have a go at home this weekend.
