Auction of Promises 09th November

After a lot of hard work organising, we managed to pull off a very successful auction. Tickets were £2.50 which included entry, drink, nibbles and a raffle ticket. Further raffle tickets were available to buy and drinks were sold at a popular bar. Ticket sales were a little disappointing even after a lot of advertising. We still managed to raise a fantastic £2,561.23 thanks to the generosity of everyone who donated promises and bid on auction lots and of course a fabulous auctioneer.

Profit £2,561.34

Christmas Fair 30th November

As previous years this was held on a Friday after school. This year we did not run and organise the event but did provide a cake and refreshment stall.

Profit 179.89

Valentines Disco's 21st February

Disco's held again in two sessions. £1 entry was charged only for the 2nd session as there was a no show from the DJ for the foundation phase disco. Popcorn, crisps, sweets and novelties were sold.

Profit £241.02

Easter Cake Raffle

Tickets were sold for a £1 to win a fabulous cake.

Profit £164.00

Sports Day 26th June

Refreshments and ice lollies were sold unfortunately the sun wasn't shining and demand wasn't as high as had been in previous years. 2nd hand uniform was also available to buy for a donation, this proved to be popular.

Summer Fair 28th June

Held again on a beautiful sunny Friday after school. Each year group, Allsorts and the Scouts ran their own stalls alongside F&F stalls which included –

Tea and cake, Prosecco, Plant, Pocket Money, Keyring making, Throwing Game, Nails and Tattoos and Luck Bags. The decision was made not to have the bouncy castle as in previous years.

The event was well attended, and people did seem to stay longer than usual, despite this the profit was a lot less than normal but all year groups did keep their own profits and there was no match funding available.
