Newsletter-Autumn Term 2020

Dear all, here are some updates on what is currently happening at school, that I hope will be useful.

Test, track and protect.

Unfortunately, some local schools have had to isolate groups due to positive covid cases this week. As results of children's tests may come back outside of school hours or during the weekend, we have set up an email contact, specifically for parents to inform the school, if their child has had a positive test result. The email address is covid20alert@crickhowell.powys.sch.uk

Please only use this if a child has had a positive test, we would appreciate it if you informed the school before letting anyone else know. As the TTP team may not be working out of normal working hours, we will send out a notification to isolate whichever contact group the child is in and their siblings is in school. This will be done asap via schoop, twitter and the website to give parents as much notice as possible, though the messages could come through late in the evening or early morning! The TTP team will then contact all parents and explain what action they need to take. Our priority is safety of our pupils and parents, it may be that the TTP team will reduce the number of classes that need to isolate but we will be guided by them.

Macmillan Coffee Afternoon

Well done to Year 6 for working so hard to organise our Macmillan coffee afternoon. Thank you to everyone who brought in cakes to sell.

Non-Uniform Day

Thank you to everyone who came into school in non-uniform today and made such generous donations. As a school we raised over **£335** for Latch Wales from non-uniform contributions and merchandise sales.

Parents Consultations

Due to current restrictions, parent evenings will have to be done a little differently. We will set a date and give out letters next week. The consultations will be done by phone with parents given the choice of time slots during which their class teacher will phone them. Further details will be sent out next week.

Award Winners

A big well done to all our 'Welsh' award winners this week. We held our assembly on teams and had a look at what every class was doing. We have compiled the individual pictures of our winners on pic-collage.

Have a lovely weekend
