# Newsletter-Autumn Term 2020

Dear all, here are some updates on what is currently happening at school, that I hope will be useful.

## **Macmillan Coffee Afternoon/Raffle Tickets**

Well done to everyone who helped or joined us for our Macmillan coffee afternoon. We raised a fantastic £201. Our non-uniform day to raise money for Latch raised £238 which doesn't include the sales of Latch merchandise.

<https://www.latchwales.org/> We have some amazing raffle prizes including; a whole lamb from Cashells, a Roberts digital radio from Webbs, an author signed book from Bookish, Sunday lunch at the Red Lion Llangynidir, Sunday lunch at the Vine Tree Llangattock, an MOT voucher from Castle Garage and many more! If you require additional tickets to sell, please contact the office. Can the tickets be returned by the 14<sup>th</sup> October? The money from the raffle will go to Latch, a cause which is very close to our hearts as one of our pupils Cassie in Year 6 is currently undergoing treatment for Leukaemia.

## **Parents Consultations**

Due to current restrictions, parent evenings will have to be done a little differently. We will set a date and give out letters next week. The consultations will be done by phone with parents *allocated* time slots, during which their class teacher will phone them. Further details will be sent out next week. Parent consultation will be on the week commencing November 9<sup>th</sup>.

## **Award Winners**

A big well done to all our 'ICT' award winners this week. We held our assembly on teams and had a look at what every class was doing. We have compiled the

individual pictures of our winners on pic-collage.

## **Blended Learning**

In the event that we have to isolate a contact group, we have produced a 'Blended Learning' guidance to explain to parents what will be in place over the two weeks that the contact group is isolating. We are keen that the learning taking place in school will continue as seamlessly as possible until all pupils return to school. Here is a link to a draft version of the policy.

## **Harvest Festival**

As we cannot get together to celebrate harvest this year. Each class will produce some harvest themed work, which we will share with parents via an adobe spark link.

Have a lovely weekend
