# Newsletter-Autumn Term 2020

Dear all, here are some updates on what is currently happening at school, that I hope will be useful.

## Raffle Tickets

A massive thank you to everyone who bought raffle tickets and donated prizes. The raffle raised an wonderful £1747, which combined with the non-uniform day, brings the total raised to £2207.

## Award Winners

A big well done to all our award winners this week. We held our assembly on teams and had a look at what every class was doing. We have compiled the individual pictures of our winners on pic-collage.

## Harvest

As we cannot get everyone together to celebrate Harvest, every class has created a little class harvest celebration on adobe spark. Follow the link to see what each of the classes have been doing.

## Upbeat

Years 3 and 4 have had a great time working with upbeat on Wednesday mornings. Here is a look at their final sessions.

From next half-term, it will be years 5 and 6 who will working with upbeat on a Tuesday morning.

## Attendance

Despite the ongoing covid concerns and the coughs and colds in weeks two and three, our attendance is higher than this time last year at 96.9%. Thank you to all the parents for getting the children in, despite the ongoing concerns, it has been a joy to have everyone back!

## Half-Term

As we approach half-term, there is some uncertainty as to whether half-term will be extended as a two-week 'circuit breaker'. We are expecting an announcement in the next few days, we will keep parents updated via schoop and twitter. If the 'circuit breaker' extends into next half-term, we will provide blended learning, if we are required to do so over that period until we return to school.

## Christmas Concerts

This Christmas it will be impossible to have our usual concerts with restriction on gatherings, social distancing and singing! We plan to buy in Upbeat Music and Arts to film all our contact groups playing a role in the production and then edit it together to make a whole school production. This will be recorded and played on You tube at a set time, so we can all enjoy the production together. There will be a nominal fee to watch or download, to cover the production costs and Mr Oram's cake consumption. Further details will follow.
